Netball Clinic

The term kicked off with excitement as **Melinet Netball Academy** visited on April 5th and 6th to engage with our young netball enthusiasts from **Grade 1 to Grade 3 (U9)**. Their sessions aimed to enhance the girls' skills and provide valuable insights for our coaches on working with this age group. We extend our gratitude to the parents for their support in dropping off and picking up their daughters. Overall, it was a fruitful two days, marking an excellent beginning to the netball season.

Good luck to all the netball teams!
